- As of this school year, Topsail High School Key Club will be sponsored by the Hampstead Kiwanis Club.
- We have reached out to Surf City Elementary School to gauge interest for a K-Kids Club charter and are looking for someone interested to step up as the Kiwanis Advisor.
- Les King is looking for volunteers to be a part of “Reading Club” at the four local elementary schools. It is an opportunity to have one-on-one interaction while helping our community kids! Les will be our speaker on the Reading Program on September 19 weekly meeting.
- Over 400 kids, ages 6 to 11, attended the Surf City Parks and Rec Day Camp this summer. The majority were from the local area! We were lucky to have Katie White and Audrey Boyer stop in the share a 4 minute video of all the fun the campers experienced – from Tiki Tours, Topsail Escape Room, Surf Lessons, crabbing on the sound, Jungle Rapids, Sea Turtle Hospital, Missile Museum and the Patio Playground! Kiwanis SWAG was seen daily with t-shirts, backpacks, water bottles and sunglasses with our logo!
